DETAILED ACTION

1. This communication is in response to amendment filed 5/15/06.

Response to Amendment

2. Claims 25-30 and 32-36 are pending and have been allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The claimed inventions pertain to method and system for selling a commodity based upon determining latent demand for the commodity.

The following prior art references have been deemed most relevant to the allowed claim(s):

Iribarren (US PG Pub. 20020065769) discloses a method that includes determining that a price for a quantity of business offered by at least one vendor and a price by at least one buyer for the quantity of business do not match during at least one prior bidding cycle in an on-line bidding transaction.

Iribarren fails to teach or suggest, singly or in combination with any other prior art, a method or system of selling a commodity based upon determining latent demand for the commodity as claimed in the allowed claims 25-30 and 32-36, in particular, a method which comprise the following novel feature:

Art Unit: 3693

--dividing each of an average offer for each of a plurality of commodities by a total number of items in each of the plurality of commodities and generating a quotient that is designated as an analyzed value for each of the plurality of commodities and selecting at least one of the plurality of commodities that was identified as satisfying a determined criteria by comparing each analyzed value for each of the plurality of identified commodities to specify a latent demand for the at least one selected commodity, and offering to sell the at least one selected commodity for a price based on the average offer for the commodity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
